

GRAND STAGE TRUCKS AND LEG DOLLIES

GRAND LEG DOLLIES

Use these for the Grand that is moved OCCASIONALLY. Made from Cast Iron Cups (Dark Brown Color), with Three Rubber Tires on each cup. Standard Stem in center of cup slips into most grand sockets when original caster is removed. Pedals & Keyboard original height.

45 378H Grand Leg DolliesSet 3

GRAND PIANO STAGE DOLLY

Used in auditoriums, schools and churches everywhere, our Grand Stage Trucks are the SAFE way to provide Mobility for even the largest Grand Pianos. Heavy Steel Construction, to ensure that truck will not bow. Adjustable Arms allow Three Sizes of Truck to fit all types of Grands. All Trucks have 5" Steel Wheel with Rubber Tire, Ball Bearing Swivel for Smooth Rolling. Packed in 3 cartons for UPS Shipment. Black Finish Only.

TO ORDER: Measure Overall Length of Piano when selecting Size. On Large Grands, (Over 7'), please check diameter of leg above the caster. Two size Leg Cups are available, Standard Cup 3-1/2", Large Cup 4-1/2". Please Specify if you need Large Cups.

45 6542 Grand Truck (4'-8" to 5'-11") ...

45 6543 Grand Truck (6" to 7'-6") ...

45 6544 Grand Truck (8' to 9')

SPINET TRUCK

Designed to support front legs that go all the way to the floor on most Spinets. Adjustable Length & Width. Frame construction takes strain away from legs, and allows one person to roll the piano. Rubber Wheels with Ball Bearing Swivel. Black Finish.

45 6545 Spinet Truck.....

TWIN DOLLIES

Excellent for most vertical Pianos. Not for Spinets. Ball Bearing Swivel, 2 1/2" Rubber Wheels. Black Finish. Sold by Set of Two.
